

Sentry Audio Products

Audio Surveillance Interface Adapter

1, 4 or 8 Channel Interface Adapter

- Includes 3' RCA Patch Cords and 12VDC AC Adapter
- Easy Cable Run Termination
- Reverse Polarity Protected and Fused

Flush Mount Microphone

Omni-Directional Microphone

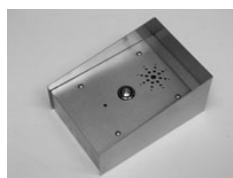

- 802.11b/Low Noise MOSFET Pre-Amplifier
- Adjustable Gain
- Line Level Unbalanced Output
- Limiter Circuit Selectable On/Off
- Easy Cable Run Termination
- On-Board Voltage Regulator

When used in combination, the interface adapter and microphone(s) provide an easy-to-use, excellent quality audio recording solution for digital video surveillance systems. The Interface Adapter provides power and load balancing for 1-8 microphones and provides an RCA connector for each audio output with unbalanced line level inputs. The standard flush mount omni-directional microphone has a 25' range in all directions and a selectable on/off treble boost circuit to enhance recordings.

Other Microphones Available: Surface Mount, Unidirectional, Vandal Resistant, Weather Proof, Stainless Steel, etc.. Please call for a complete list of available Microphones.

Additional Audio Surveillance Products Available:

Two Way Microphone/Speaker

Audio Surveillance Base Station

Wall/Surface Mount Speaker

Caution: It is the responsibility of the installation company and end user to comply with privacy laws regarding the use of audio surveillance equipment. If you are unfamiliar with these laws, consult a qualified attorney. In most cases, posting the provided warning label in plain view is all that is required.
